Ministry:

Dave serves as the Director of Advancement and Janel serves in various capacities at Spruce Lake Retreat in Canadensis, PA. Spruce Lake's mission is to enable and encourage Christ-centered discoveries in an outdoor setting by providing opportunities for Christian nurture, meditation, fellowship and recreation for children, youth, adults and families.

Spruce Lake is located in the beautiful Pocono Mountains with access to 800 acres and offers four ministries—summer youth camp, outdoor school, adult and family ministries and a retreat center.

The Trout family has served as missionaries in camping ministry for 19 years and we thank Calvary Fellowship Church for their investment into our family.
