

SENIOR PASTOR SEARCH UPDATE: FEBRUARY 2012

We would first like to thank you, the CFC body, again for completing the Church Wide Survey. There is a comprehensive summary of the survey results available for your perusal at the counter in the Community Café. The results have been invaluable as we have processed through plans for this upcoming year. At our recent Elder & Staff Retreat, we reviewed the different areas of the survey in detail and prayed through how we will utilize these results in the implementation of our vision in the coming months. Thank you for partnering with us in ministry here at CFC; we are so excited to see what God will do this year! Stay tuned as we roll out these plans in the near future.

Also, a Ministry Profile of CFC was created by Ministry by Design after they visited our church, attended meetings and conducted interviews with the Staff and Elders. This Ministry Profile is now being circulated on the web and to interested candidates for the Senior Pastor position. Feel free to view the profile and see what is being said about CFC. Currently, Rick Heltne, our Ministry by Design partner, is conducting interviews with prospective candidates for the Senior Pastor role at CFC. Pray for Rick as he conducts this initial step in the process! Once he determines which candidates would be a good fit for CFC, there will be phone and online video interviews with our Interim Leadership Team, followed by our Pastoral Staff. At this time, we will also observe sermons from online websites to get a feel for these candidates prior to bringing them to CFC for face-to-face interviews. After they pass this step in the search process, you will begin to see them preaching on Sunday mornings. The Evaluation Team will then make a recommendation to the Elders for the final round of interviews.

There is an extensive amount of work to be done throughout this process; we ask that you continue to partner with us in prayer every step of the way. May God clearly direct us all to the new Senior Pastor of Calvary Fellowship Church!

God bless,

Interim Leadership Team
