

## Laurie Fenicle

### **Ministry:**

Laurie serves with CrossWorld in Thies, Senegal. She serves with a church-planting team based in Thies, but whose focus is on reaching out to the many surrounding Serer villages. These Serer villages are predominately Muslim, but God continues to open the door for the gospel to go forth in the hearts of the Serer people. Churches have been already planted in many of these villages, so now is the time to water the seed that God has sown.

Laurie focuses on working with and discipling the women and children of these villages through VBS programs, Bible studies, and various humanitarian projects, etc.

### **Affiliation:**

CrossWorld
