

George and Linda Hege

Ministry:

George and Linda are Church planters in Muhlenberg Township, just to the north of Reading, PA. Muhlenberg Area Community Church (MACC) is serving an area of increased ethnic diversity and tension. MACC strives to bridge the gap between cultures by creating unity in Christ. Previously George and Linda served with Liebenzell Mission in Ecuador. They helped start the Awa Christian Center, the Bible Training Center and three churches. They continue to lead teams to Ecuador about once a year. Their experience in Ecuador helps connect with the Hispanic community in greater Reading.
