Ministry:

The Singers are career missionaries with SIM (Serving in Mission) and serve in Nigeria, West Africa. Dwight teaches Bible and theology at Jos ECWA Theological Seminary (JETS), which is one of the largest evangelical seminaries in Africa. His current position of Deputy Provost makes him an integral part of the JETS Management team. Mentoring/coaching JETS students and young pastors represents another aspect of his ministry.

Miriam provides member care for the SIM Nigeria missionary family by assisting in orienting and mentoring missionaries new to Nigeria and by conducting annual and end of term reviews. In addition, she coordinates the health care for the SIM Nigeria family.

The Singers have three adult children, two of whom have recently married.
