Ministry:

Glenn and Susie served with their children in the Dominican Republic from 1997-2004.

They returned to the USA for ministries in the home office of CrossWorld - Glenn served as Assistant to the President and together they mentored missions-minded young adults in the NextSteps program. Susie served as a missions mentor at Philadelphia Biblical University (PBU).

In July 2011, Glenn and Susie began ministering overseas in Cayambe, Ecuador - making disciples and starting new churches in a cross-cultural team.
