Connected

Ventures is Spontaneous

Ventures folks are always coming up with fun spontaneous things to do together. We call these our **Unadvertised Specials** because they are more spur of the moment activities and not advertised in our brochure. The best way to know what's happening in Ventures is to visit our website which also lists all our planned activities. Check us out at www.calvary-fellowship.org. Click on Ministries/Adult/Ventures.

Ventures is Serving

We offer many **opportunities to serve others** and share the love of the Lord. Some of the things we do are:

- ◆ Local & international missions
- ◆ Various CFC volunteer opportunities
- ◆ Faithful Prayer and Care
- ◆ Intergenerational Mentoring

Come discover your passion with a future opportunity to serve!

Ventures is Connecting

Monthly Brunch/Lunch Together

Connect with others immediately after Ventures on the **4th Sunday** of the month. Enjoy brunch/lunch together at our BLT while discovering what you have in common with others in Ventures; or delight in meeting someone new. We're always on the move, so check out our website to see where we're meeting each month.

Ventures Next Level is a way for those who desire to participate at a deeper level of commitment in Ventures to do so by attending our **5th Sunday** meeting for the purpose of:

- ◇ Praying for the effectiveness of our ministry
- ◇ Connecting with the Mission, Vision and Ministry Focus
- ◇ Determining/assisting with follow-up needs and prayer or care concerns
- ◇ Contributing to the planning/provision of activities for future events
