

REQUEST FOR GIVING ENVELOPES

Calvary Fellowship Church will provide yearly pre-numbered giving envelopes to any and all financial supporters. We will assign you a specific giving number and this will enable CFC to track your contributions and provide you with a statement at the end of the calendar year. This statement will satisfy the IRS requirements for claiming charitable contributions on your income tax forms. You do not need to be a member of CFC to obtain these giving envelopes. At the beginning of the new calendar year, another set of envelopes will be automatically available for your use. Please watch the bulletin at that time for the location of the new envelopes.

Please provide CFC with the following information to obtain your pre-numbered giving envelopes so that we can send them to you:

Name: _____

Address: _____

Phone No: _____

Marital Status: _____

Please email this form to davila@calvary-fellowship.org
